

2015 MODEL

Lunagazer
J24 Series

An impressive size caravan that doesn't need a huge 4 wheel drive to tow it.

Many midsized four wheel drives and family vehicles will pull it all day every day.

Versions

Built in Australia

CLEVER STYLISH INTERIORS

There is plenty of space and a layout to suit all kinds of needs.

There are models to optimise open plan living and others to give you the ultimate storage. You can choose queen or single bed layouts.

For those who love their creature comforts, ensuite models feature a full bathroom including toilet, shower and hot running water.

If bringing the kids along is the plan, you can't go past the bunk bed models. The dining room is fit for a banquet and the kitchen facilities have everything you need to prepare it.

TICKS ALL THE BOXES

SAVE ON TOWING COSTS

- Lower tow weight and aerodynamic design delivers major fuel efficiency savings
- You don't need a huge vehicle to tow our vans so you can save on your initial outlay

BUILT IN AUSTRALIA

- Established Australian company
- Proven in Australian conditions
- Strong local spare parts & service back up

STRONG AND DURABLE

- Tough *Duratherm* walls are remarkably impact resistant, hail resistant and have no internal plumbing or wiring
- Unique *Optima* galvanised chassis is engineered to withstand forces well beyond normal operating conditions
- One piece *Integra* floor is bolted and bonded to the chassis to add structural integrity
- One piece *Uniskin* roof has no joints to leak and is tough enough to walk on

3 YEAR FACTORY WARRANTY

- We are so confident of our product we back it with a "real" 3 year factory warranty
- Compare ours to the other third party, pro rata and ingress warranties

AFFORDABLE STYLE

- Distinctive European styling inside & out speaks for itself
- Our package of features that come standard offer outstanding value
